Re: Kodi Klip

Dear Mr. Bramblett:

Kodi Klip Corporation submitted an application to the Arizona Department of Transportation (ADOT) Product Resource Investment Deployment and Evaluation (PRIDE) program. The application is for Kodi Klip.

The subject product does not fit any current ADOT Approved Products List (APL) categories and there is currently no need to create a new APL category for it. Therefore, no action will be taken to either approve or disapprove of the subject product with respect to ADOT's APL.

If you have questions on this action, please contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Frank T. Darmiento".
