Dear Mr. Jones:

**Subject: New Products Evaluation Committee Action on Kodi Klip Corporation's  
"Kodi Klip" NPE # 0506-1**

The New Products Evaluation Committee considered this product. The Committee recommended that the Departmentn classify this products as "Accepted" as an alternate to tie wire in precast concrete products used on Georgia Department of Transportation projects.

If you have any questions concerning this matter, please contact the Concrete Branch at 404-608-4880 or any correspondence can be sent to attention of Jay Page at the address below.

We appreciate your interest in marketing products that may be of benefit to the Georgia Department of Transportation.

Sincerely,

Charles A. Hasty, P.E.  
State Materials Engineer
